

PackageCare™

Eliminate the Inconvenience

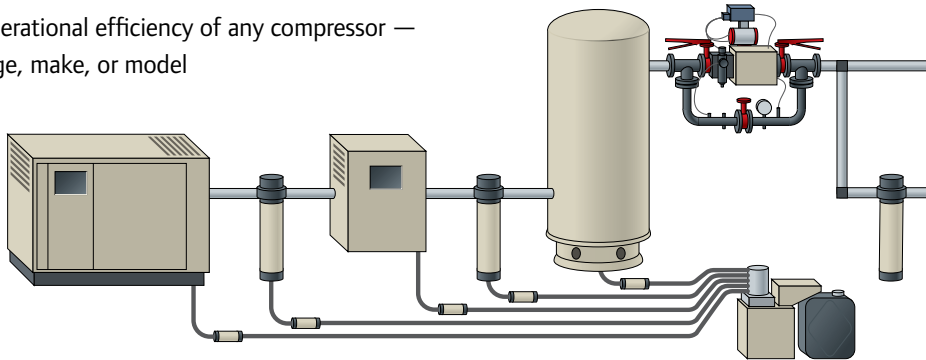

Minimize worries and maximize reliability with PackageCare™

A compressed air system is a significant investment, no matter what type of business you're in. PackageCare can help you get the most out of your investment. It's a fixed-cost, no-surprises service contract designed to help you:

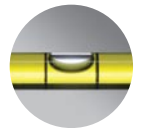

- ▶ Control costs and keep your equipment running at peak efficiency
- ▶ Protect yourself from all repair and replacement expenses over the life of the contract
- ▶ Increase the operational efficiency of any compressor — regardless of age, make, or model

The system-wide fixed cost solution for any operation

Your compressed air system is comprised of a number of separate yet interdependent components. With PackageCare, Ingersoll Rand takes care of the entire system — enabling you to focus on your business, not your equipment.

Unpredictable maintenance and repair costs

For many companies it's hard to anticipate — and budget for — the costs of maintaining and repairing a compressed air system. These unpredictable costs can be taxing on your patience ... and your bottom line.

PackageCare delivers predictable peace of mind

With Ingersoll Rand on your side, you'll know exactly what your maintenance and repair expenditures will be from year to year. There are no surprises.
